**College Scholarships for Foster-System Involved Youth  
26-27 Application Now Open**

**February 2026 ~ Cleveland, OH:** Child and Family Advocates of Cuyahoga County (CFACC) is pleased to announce that limited college scholarships for local youth formerly in foster care are once again available through the **Kevin O'Boyle Memorial Scholarship Fund**. The scholarship is now [open for applications](#) for the Spring 2026 and Fall 2027 academic terms.

Kevin O'Boyle was a Cleveland native, St. Ignatius graduate, Cuyahoga County and Ohio CASA board member, and active CASA volunteer for 15+ years when he suddenly and unexpectedly passed away in June 2020. Kevin served as a Court Appointed Special Advocate (CASA) volunteer with more than 20 older youth experiencing foster care in both Cleveland and Chicago, and guided many young people to higher education and vocational training in his role as a CASA.

In honor of Kevin's legacy, CASA of Cuyahoga County offers need-based college scholarship awards annually for foster-system involved youth. Eligible students must be:

- currently enrolled in a post-secondary degree, community college, vocational training, or job certificate program in Cuyahoga County
- have a documentable foster care stay of at least one year with CCDCFS
- have achieved 50% degree or program/certificate completion and maintain the required program GPA
- have documented financial needs based on the FAFSA filing and/or advisor recommendation concerning any unique financial circumstances
- referred by their school or program advisor using a CFACC-provided form

This scholarship is open only to former foster-system-involved youth served by the Cuyahoga County Division of Children and Family Services, and is limited to post-secondary educational and job training services provided in Cuyahoga County.

The scholarship application and required reference & recommendation forms can be accessed at <https://cfadvocates.org/scholarship-fund/>. For additional questions about eligibility for the scholarship, please contact CASA of Cuyahoga County: [info@cfadvocates.org](mailto:info@cfadvocates.org) or 216.325.7747.
